

## Indoor Court Policies 2006-2007

Non-Marking tennis shoes are required. No exceptions!!

Scheduled court time must be cancelled at least 24 hours in advance or you will be charged for the time. We will not accept reservations for your time from others who would like to have that slot – please consider this in planning for your matches.

Starting October 1, 2006 - Indoor court time fees are \$20 per hour for members and \$30 per hour for non-members (guest fees apply).

**You must check in with the Pro-Shop** upon arrival of your scheduled or permanent court time. This is a safety issue because if an emergency call comes in and we do not know if you are here, then we may have to interrupt play to find you.

No food or beverages (except water) are allowed on the indoor courts.

Please be considerate of others who may be playing on the court before your scheduled court time. Please wait in the Pro-shop or outside the indoor building until it is your time to step onto the court.

On the other side of the issue, if your game is going to last more than your scheduled time, please plan on finishing up with a tie-breaker before your time expires. Think about scheduling your match in a two-hour block if you have a tough time finishing within one and one half hours.
