

# MEET *your* TEAM

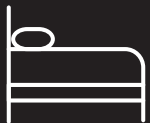

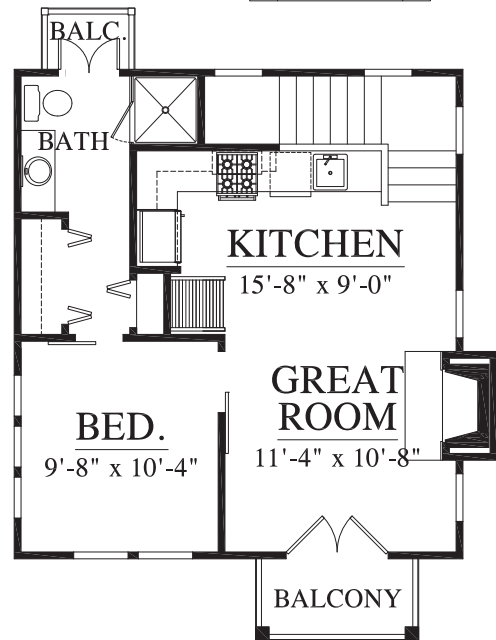

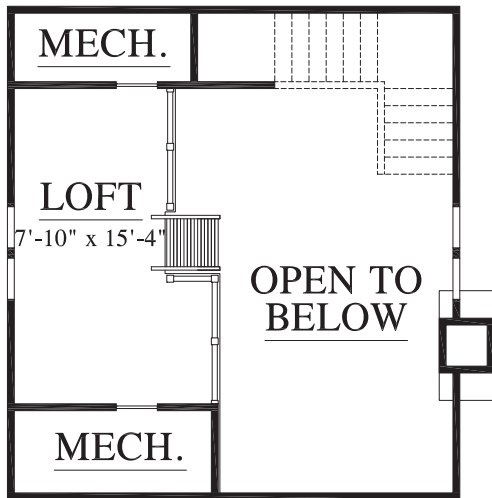

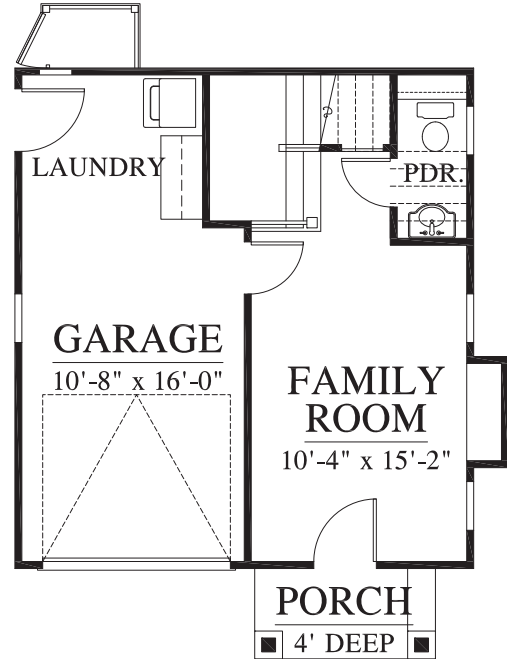

Allison Ramsey Architects is a leading firm in New Urbanist architecture, a movement with a goal of crafting walkable neighborhoods, promoting healthy and environmentally conscious practices. Allison Ramsey Architects has worked extensively to raise the standard of new design and development. Their mission of creating and advocating design that is timeless and contextual is evident in their work which can be found around the country and at all price points.

The Village of Cheshire is a Traditional Neighborhood Development located just outside the city of Black Mountain, NC and minutes away from Asheville, NC. Cheshire is a vibrant, classically-inspired and health-oriented mountain community integrating homes within walking distance of a traditional Town Center and Fitness Complex. The Village of Cheshire is a growing community, dedicated to creating a place that encourages the growth of strong community relationships.

Buchanan Construction is an award-winning design/build firm, with decades of experience constructing homes upon the cornerstones of quality, integrity, and professionalism. The Buchanan team regards building a home one of life's most significant milestones. That's why their design/build manager, in-house interior designers, and team of more than 40 experienced professionals utilize the design/build process, a streamlined process for bringing clients' dreams homes to life.
